 JEAN M. CORRIELUS
 PRIMARY EXAMINER

DETAILED ACTION

1. This office action is in response to the amendment filed on January 2, 2008, in which claims 1-22 are presented for further examination.

Response to Arguments

2. Applicant's arguments filed on January 2, 2008, with respect to the final rejection of claims 1-22 mailed on July 2, 2007 have been fully considered and are persuasive. The final rejection of claims 1-22 has been withdrawn.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jeremy Merling (Reg No. 60,219) on January 31, 2008.

The application has been amended as follows:

In the claim:

Please cancel claims 23-25 without prejudice.

Allowable Subject Matter

3. Claims 1-22 are allowable, in light of the Applicant's arguments and in light of the prior art made of record.

Reasons for Indicating Allowable Subject Matter

4. The following is an examiner's statement of reasons for allowance: Upon searching a variety of databases, the examiner respectfully submits that "performing temporal processing by applying a timestamp to the phrases in the phrase intersection table and ordering the phrases based on the timestamps; and generating a summary of the plurality of related documents available in computer readable media by performing sentence generation using the phrases in the phrase intersection table which have been subject to said temporal processing" in conjunction with all other limitations of the dependent and independent claims are not taught nor suggested by the prior art of record (PTO-892 and 1449). Therefore, all pending claims 1-22 are hereby allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
